

2022 Independent Pharmacy Expo Virtual

The *2022 Independent Pharmacy Expo Virtual* will be hosted on Ohio Pharmacists Association's (OPA) virtual platform, **LecturePanda**. LecturePanda is the online platform where you will view Continuing Pharmacy Education (CPE) videos, complete post-activity quizzes, speaker evaluations, **and** program evaluation. Once all videos have been viewed in full, all post-activity quizzes and evaluations completed, you will use the platform to submit credit to the CPE Monitor. After your credits have been claimed and submitted, they will be automatically uploaded to the CPE Monitor by LecturePanda.

(Please allow 24 hours for the system to process.)

You will have access to LecturePanda until **November 18, 2022**. The 2022

Independent Pharmacy Expo Virtual offers a total of seven (7) contact hours of CPE. Join the streamed sessions on **September 18, 2022** for live Q&A following the sessions or watch on-demand at your convenience.

The following instructions will help guide you through the process of registering in LecturePanda for the *2022 Independent Pharmacy Expo Virtual*:

1. Click the button below.

Helpful Tip

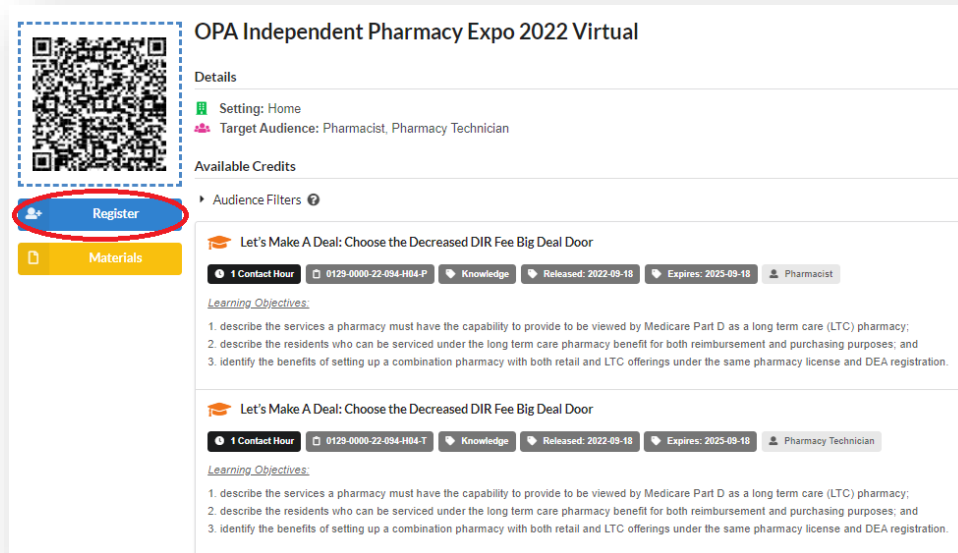

The on-demand sessions will be available beginning September 18, 2022.

You can watch and re-watch the on-demand sessions until November 18, 2022. You don't have to worry about missing a slide or forgetting what the presenter said. You can rewind and watch as many times as you would like.

Long term care (LTC) facilities rely on pharmacy services to ensure their residents receive medications at the right time and in the right packaging. Pharmacy services can be provided to many types of facilities, including assisted living facilities and at-home care residents. Learn how to decrease DIR fees for your long-term care patients by joining an LTC network and saving money with LTC purchasing.

To complete an on-demand program, scroll to the videos section at the bottom of the landing page in Lecture Panda.

The screenshot displays a video player interface within a 'Videos' section. At the top left, there is a 'Videos' header with a grid icon. Below it is a search bar containing the text 'Let's Make A Deal: Choose the Decreased DIR Fee Big Deal Door'. The video player itself shows a blue background with white text. The title of the video is 'Let's Make A Deal: Choose the Decreased DIR Fee Big Deal Door'. Below the title, the speaker is identified as 'Susan R. [Name], R.Ph., Senior Vice President, Contracts and Advocacy, GeriMed, Inc.'. A red play button is centered over the video. In the bottom left corner of the video player, there is a 'Watch on YouTube' button. In the bottom right corner of the overall interface, there is a green button labeled 'Claim Credits' with a right-pointing arrow.

2. Scroll through the list of continuing education activities and select the program credits by checking the box next to the activity title.
3. Click on the green *Complete Evaluations*.

The screenshot displays the 'OPA Independent Pharmacy Expo 2022 Virtual' interface. At the top, a dark banner contains the title and a welcome message: 'Welcome Your Name (Edit Profile). Please complete the steps below to receive credit.' Below this is a progress bar with four stages: 'Materials' (Review the learning materials), 'Credits' (Select the credits you earned), 'Evaluations' (Complete the evaluations), and 'Complete' (Submit your credits). The 'Credits' stage is currently active. The main content area is titled 'Select Home Credits' and lists three activities. The first activity, 'Let's Make A Deal: Choose the Decreased DIR Fee Big Deal Door', is selected, indicated by a checked checkbox and a green border. It shows a duration of 1 hour and a course ID of 0129-0000-22-094-H04-P. Below this activity are 'Evaluation Quick Links' for a quiz (0 attempts) and an evaluation (incomplete). The other two activities, 'Moving Pharmacy Practice Forward: Implementation of Collaborative Practice Agreements' and 'DEA Audits: Avoid These Mistakes!', are not selected. A 'Learning Materials' button is on the bottom left, and a green 'Complete Evaluations' button is on the bottom right, both highlighted with red circles.

Quiz: Let's Make A Deal: Choose the Decreased DIR Fee Big Deal Door

1. Which of the following is **not** a required service for each of the CPE Performance and Service Criteria for Network LTC Pharmacies?

- Special compliance packaging for oral solid medications dispensing
- IV Medication access
- Consultant Pharmacist providing drug regimen reviews monthly
- Pharmacist on-call services 24 hours a day 7 days a week
- Delivery service to the facility as required by each facility

2. What is a Combo Pharmacy?

- A combo pharmacy is a pharmacy providing long-term care services and community-based retail services from the same independent pharmacy with the same DEA and license but separate NCPDP/NPI numbers and wholesaler account numbers.
- A combo pharmacy is just another name for a closed door pharmacy
- A combo pharmacy does not exist - it's all considered retail
- None of the above

3. Which types of patients would be served by a Combo LTC pharmacy?

- Skilled nursing facilities (nursing homes), walk-in community patients, assisted living facilities, group homes serving individuals with intellectual disabilities, correctional facilities, and other patients in facilities.
- Skilled nursing facilities (nursing homes), medical at home (institutional level of care), assisted living facilities, group homes serving individuals with intellectual disabilities, correctional facilities, and other patients in facilities.
- Any patient you think qualifies.
- Skilled nursing facilities (nursing homes), assisted living facilities, group homes serving individuals with intellectual disabilities, correctional facilities, and other patients in facilities but no one outside a facility

4. When deciding to become a Combo Pharmacy the following are necessary components, except:

- PSAD for a LTC network to receive appropriate reimbursement
- Working with your software vendor to ensure proper coding of LTC claims
- Special consideration for work flow, production, personnel and space allocation
- A separate DEA and license for the LTC Pharmacy

5. Why is LTC a viable addition to a community-based pharmacy?

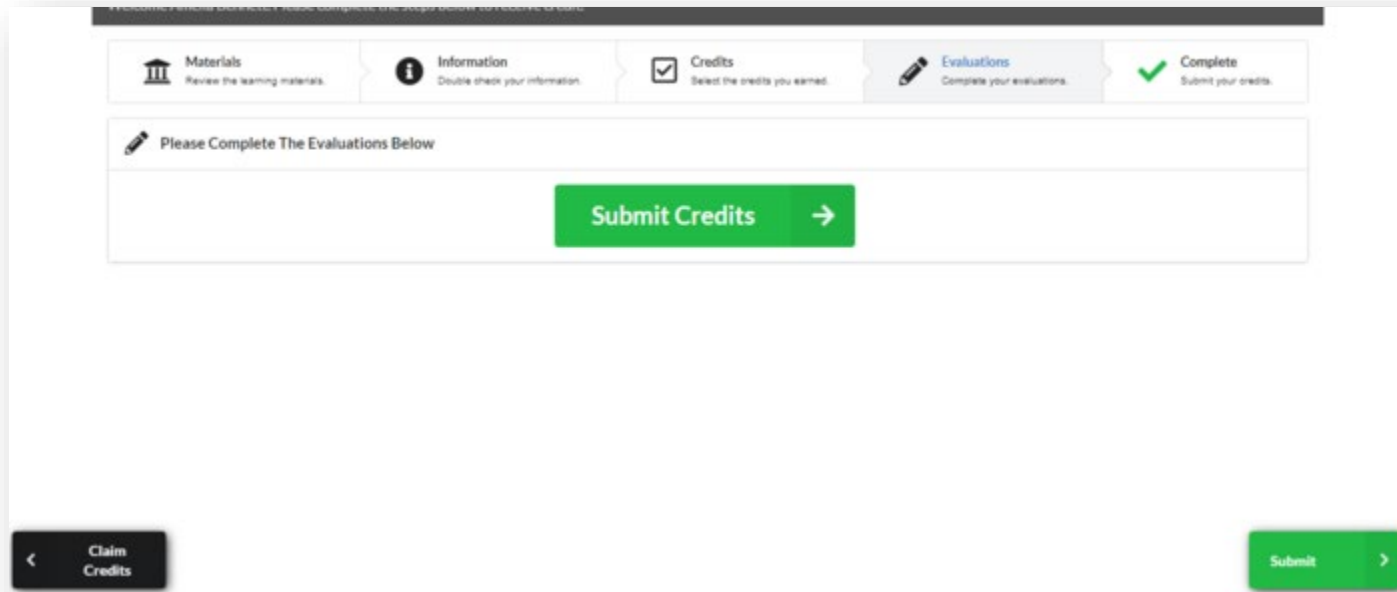

- It's not - you make more money in retail and it's easier
- Potential for lower costs on brand drugs, most claims will not have DIR fees in the LTC space, serving a growing population that needs your pharmacy's special services
- It's easy to just send in the wrong coding and get paid a higher rate
- None of the above
