
OPA's Center for Entrepreneurship presents
Opening a Pharmacy - The Basics

Thursday, May 28, 2015

Ohio Pharmacists Association • 2674 Federated Blvd. • Columbus, Ohio 43235

Join other pharmacists for novel continuing education specifically targeted for individuals interested in owning a pharmacy. Whether you are in the beginning stages or have given ownership considerable thought, this program will provide you with the most up-to-date information on what it will take to get your future pharmacy up and running. This program will review the essential element of financing, as well as legal and regulatory requirements, and prepare you for your future in ownership. In addition, at the end of the program you will receive your own copy of the *How to Open a Pharmacy* manual.

This workshop is limited to the first 40 registrants so that everyone has the opportunity to participate and actively learn. **Register now on reverse side or at www.ohiopharmacists.org.**

Basis of a Successful Enterprise (BASE)

*Jerome Jones, Business Consultant,
Small Business Development Centers,
Columbus State Community College*

Discover the critical elements to a successful business venture during this session. Our speaker is a business consultant who will help you identify the keys to starting a successful business including the primary areas of research when writing a business plan and an outline of a business plan. The importance of knowing your market, as well as estimating start-up expenses, and identifying legal forms of ownership will all be covered. Additionally, the "Profitable Process of Ps" and qualities of successful entrepreneurs will be reviewed.

Learning Objectives:

At the completion of this activity, the participant will be able to:

1. describe a business plan and key areas of research for a pharmacy business plan;
2. identify potential areas of expense when starting a pharmacy;
3. discuss qualities of successful entrepreneurs; and
4. identify legal forms of ownership and regulatory requirements for new pharmacies.

APCE # 0129-0000-15-063-L04-P 0.4 CEU
This is a knowledge-based activity.

**How to Open a Pharmacy Manual:
Discussion and Review**

*Aimee Wallace, R.Ph., PharmD, Director of
Clinical Entrepreneurship, OPA*

The legal and regulatory requirements for opening a new store are abundant and complex. This review of the *How to Open a Pharmacy* manual, developed by OPA and American Pharmacy Services Corporation (APSC), will help simplify the process. This manual is the first of its kind to cover Ohio-specific forms and information.

Center for Entrepreneurship

OPA's *Center for Entrepreneurship* provides pharmacists and student pharmacists with the business skills needed to be successful in today's economy.

CONTINUING EDUCATION

This program is targeted to all pharmacists and pharmacy students. The continuing pharmacy education (CPE) for this program is coordinated by the Ohio Pharmacists Foundation. To receive credit, you must fill out the CPE form, sign, date, and return it to OPA. Your CPE will be uploaded to the CPE Monitor. Disclosure of faculty and commercial support relationships will be made known at the activity.

CONFIRMATION

Upon registration, a confirmation letter or email will be sent to you along with driving directions.

The Ohio Pharmacists Foundation Inc. is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.
