

APhA's Delivering Medication Therapy Management Services A CERTIFICATE PROGRAM FOR PHARMACISTS

Hosted by: Ohio Pharmacists Association

Wednesday, February 13, 2019 • OPA Office • 2674 Federated Blvd, Columbus, OH 43235

APhA's Delivering Medication Therapy Management Services certificate training program (4th Edition) presents a systematic approach for developing, implementing, delivering, and sustaining MTM services. It includes an overview of the marketplace for delivering MTM services, guidance for implementing MTM services in pharmacy practice, a review of the essential skills and knowledge needed for performing MTM successfully, and an organized process for identifying medication-related problems. The purpose of this certificate training program is to prepare pharmacists to improve medication use through the delivery of MTM services in a variety of practice settings.

GOALS OF THIS PRACTICE-BASED PROGRAM:

- Advance public health and patient care through improved medication use.
- Provide training to enhance pharmacists' ability to effectively provide MTM services.
- Motivate increased numbers of pharmacists to establish MTM services.
- Communicate benchmark practices for providing MTM services.

APhA's Delivering Medication Therapy Management Services certificate training program has three components: online interactive self-study with assessment; the live seminar with online evaluation; and post-seminar case exercise. A Certificate of Achievement will be awarded to participants who successfully complete all program components, including an evaluation.

For a complete list of learning objectives and all APhA accreditation information and policies, please visit APhA's website, <http://www.pharmacist.com/delivering-medication-therapy-management-services>.

Once credit is claimed, Statements of Credit will be available online within 24 hours on participant's CPE Monitor profile at www.nabp.net. The Certificate of Achievement will be available online upon successful completion of the necessary activity requirements on the participant's "My
